# COLLEGE LIFE

## 3 DAY WEEK

Most full-time courses only require attendance 3 days a week!

## STUDENT DISCOUNT

Save money on everything from clothes to food and dining out!

## FOCUS ON WHAT YOU LOVE

Studying at college lets you study a subject you are really passionate about alongside people who share your interests.

## SOCIAL LIFE

For many people, the friends you make at college will be your friends for life!

**STUDY WHAT, WHERE AND WHEN SUITS YOU!**

Find your course at [nescol.ac.uk](http://nescol.ac.uk)

## INDUSTRY STANDARD FACILITIES

Learn in state-of-the-art facilities and get taught by lecturers with industry experience

## PROGRESSION

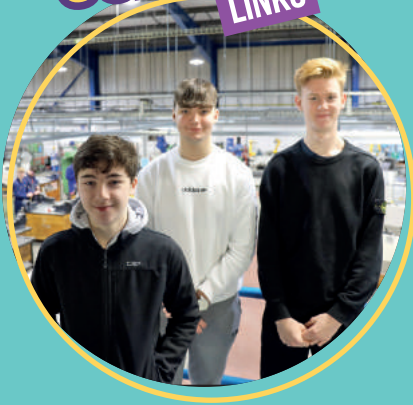

A college qualification gives you the option to progress to university study or go straight into the world of work.

## GREAT SUPPORT

College offers support on everything from study skills to funding, mental health to employability.

# SCHOOL LINKS

Did you know you can study at College while you are still in school? Our School Links and Foundation Apprenticeship courses form part of your school timetable, but are delivered in College, giving you the best of both worlds!
